SALISBURY PRIDE RESPONSE TO COVID-19

Salisbury Pride takes the health and well-being of our community seriously. We have been in consistent close communications with the City of Salisbury regarding Covid-19 and the impact of the virus on area people and businesses. As such, and with thoughtful consideration to our various constituents, we have made the decision to move the date of Salisbury Pride from June 7th, 2020 to the new date of October 24th, 2020. This new date, which coincide with LGBTQ+ History Month, increases our capacity to deliver an outstanding event and provides the best opportunity to have the most positive impact on the economy of Salisbury and the Lower Shore while not overly taxing existing community partners and resources.

Salisbury Pride is dedicated to embracing and increasing the visibility of LGBTQ+ people on the Shore as well as to building and strengthening alliances and resources. Salisbury Pride is a joyful celebration of kindness, love, diversity, and inclusion and we welcome you to help make our historic event a success. We appreciate all who have already committed to being part of Salisbury Pride and look forward to being able to grow our network even further with this additional planning period and new date.

The City of Salisbury is a dynamic and diverse community and Salisbury Pride is delighted to be included among the events dedicated to highlighting the vibrancy of Downtown Salisbury and the surrounding area while promoting inclusion of all residents and visitors. We thank everyone for their patience during this time and it is our top priority to keep everyone updated and informed. We will continue to post updates and pertinent information on our website located at www.SalisburyPrideParade.com and through our various social media pages.
